11/9/4 So far as the Forest officers are concerned the Comptrollers' interpretation is correct. The local allowances granted to the officers in charge of the Mysore and Kadur Distts have ceased to be drawn as they have been promoted to the grade of Dy Conservators of Forests. In regard to Shemoga the allowance will cease if the incumbent claims his rates of travelling allowances & not than are allowed to officers of his grade. Similarly in the case of the officer in charge of the Game Preserves he will not be allowed to draw the allowance when he is relieved of that charge.

5 There are some foresters in charge of Sandal Depots & Ranges drawing a charge allowance of Rs 10 & 20. The allowance will be withdrawn when they are relieved of the Sandal Depots & Ranges charges an

Transferred to some executive work.
These charges were likewise held by Range officers.

6 Forest Surveyors get an allowance of Rs 20/- This is more a horse allowance than mahnad allowance. Similarly some foresters are given an allowance of 8 Rs in lieu of travelling allowance.

7 There is only one Ranger (at Hebbe) who gets a mahnad allowance of Rs 25/-. With this exception there are none who get any mahnad allowance. Even in this case the question will be reconsidered when another Ranger is posted to the Range.

8 Under the circumstances the G. O. of 29 Nov 1906 quoted by the Comptl does not apply to the officers of the Forest Deptt.

From the 2d Councillor's note dy 3.11.04 concurred in by the Dewan, in the file x to q.o no: 4058-9 / mes 100-04-1 dy 17.11.04, it will be seen that the local allowce of Rs 50 to the D. m. & S. officers of the Kadur & Shimoga districts was sanctioned on the grounds (1) that an allowce of Rs 50 had been ~~recently~~ sanctioned to each of the District Forest officers posted to the Mysore Shimoga & Kadur Distts & (2) that in the Police depts, asst Supts in the last two districts ie Shimoga & Kadur are granted allowces similar to Districts Forest officers. If under q.o no JL 3981-402 / SdA 539-04 dy 29.11.06, the mahud allowces attached to Asst Supts of Police in Shimoga & Kadur Dists are to be discontd there appears to be no reason why the same should be allowed to continue in the case of D. m & S. officers to whom the local allowce of Rs 50/ was sanctioned on the analogy of allowces attached to Asst Supts of Police. If on the other hand, it is held that the local allowce of Rs 50/ is attached to the office of D. m. S. officer in the Shimoga & Kadur Distts on considerations of climate as well as on account of costliness of living in the

two Districts, irrespective of any analogy to ~~the~~ allowances attached to other offices there the greatest case of the D. M & S. officers will be one for special treatment.

2 In this Connection it may be also noted that the position of Asst. Supdt. of Police is different from that of D. M & S. officers; while the former are ~~generally~~ replaced by officers of the same States, the D. M & S officer of an grade may be replaced by one of a higher or lower grade according to Convenience. ~~Thus~~ A Civil Surgeon D. M & S. officer may be replaced by an Asst. Surgeon. In such case it is a point for consideration whether the grant of Charge allowance alone is sufficiently Compensate an officer of a lower grade ~~than~~ for inconvenience especially attending Change of Station for short period when such an officer is appointed to the duties of an officer of higher grade as D. M & S. officer.

are to be regarded merely as local allowances coming within the purview of the G. O dated 29th Nov'06 or as charge allowances given to officers of lower rank placed in charge of the District Officer's duties in these two important districts - The 2nd Cr's note dated 3rd Nov 1906 shews that the allowances were sanctioned for the following reasons :— (1) Both the districts were in charge of Civil Surgeons but for want of sufficient number in this grade of officers Apt Surgeons are posted there - (2) Climatic grounds and costliness of living - considerations on account of which brother officers in other departments, in those places were drawing special allowances though not the case of the medical officers is thus not exactly on all fours with the officers to whom the G. O dated 29th Nov 1906 is stated to apply specifically

15 The order regarding the Forest Officers is clear and the allowance is payable only to officers of below the rank of a Deputy Conservator.

Tho' the allowance of Rs 50 sanctioned to the D.Fs and SDOs of Rajam and Shimoga appears from the last 2 Govt Orders to be admissible to officers of below the rank of a Civil Surgeon, the G.O. is not quite distinct on the point.

Comptroller to the Govt. of

A.S.Chendrasekhara Iyer Esq., B.A., B.L.,

General and Revenue *Department.*

SIR,

I have the honour to invite your attention to Government order No.Fl:3981-4025/Sand:A.539-04-6 dated 29th November 1906, directing the abolition of Malnad and Semi Malnad allowances attached to the appointments of Deputy Commissioners, District Judges, Superintendents and Assistant Superintendents of the Police Department and officers of similar status in all departments, and to request to be informed if the allowances sanctioned to the officers of the Medical and Forest Departments in Government Order's No.(4058-9)-100-1/Med: and R.2645-6/Ft:504-6 dated 17th November '04 and 22nd September 1904 respectively, also come within the purview of that order. The allowances granted to certain officers of both these departments are designated "Local allowances" in the orders sanctioning them, although it would appear from the correspondence leading to the passing of those orders that they are of the nature of charge allowances given to officers of lower rank when they are placed in charge

District officers duties, which is considered to be the legitimate work of officers of a higher rank in those departments.

I have the honor to be,

Sir,

Your most obedient servant,

J. S. Chakravarti
